Clerk's Note: *M. Bartlet gave notice at the May 12, 2011 WECEC meeting that he intended to bring the following motion forward regarding the "Support of Local Renewable Energy Companies" at the June 2, 2011 meeting.*

Moved by M. Bartlet, seconded by _____

Whereas:

Due to the efforts of a broad coalition of individuals, community organizations and Municipal, County and Provincial governments, Renewable Energy has become a key economic driver for the Windsor area.

Whereas:

Several Renewable Energy companies, including manufacturers of solar panels, solar panel mounting and wind turbine components, are investing millions of dollars in the Windsor area and creating jobs.

Whereas:

In order to maintain this positive momentum, these companies will require, and deserve, the patronage of local consumers.

Whereas:

The City of Windsor and Essex County Communities are contemplating or planning installations of Solar and other Renewable Energy technologies on publically-owned facilities

Therefore Be It Resolved That:

The City of Windsor and Essex County Communities patronize local Renewable Energy manufacturing, accessory and installation and service firms when contracting installation of Renewable Energy technologies on city-owned facilities.

Further Be It Resolved That:

The City of Windsor and the County of Essex express formal support for the Green Energy and Economy Act through adoption of this resolution and join in efforts to maintain the act.
