

– FEBRUARY 2014 –

ONGOING INITIATIVES

1. Smog Action Plan

The WECEC coordinator has completed a draft Smog Action Plan for the City of Windsor and has met with Parks & Facilities to discuss. A meeting will be held March 19th with the Operations department to discuss the proposed policy. Human Resources and likely Local 82 CUPE have also been contacted for further discussion.

2. Green Speaker Series: Robert Krausz

Robert Krausz is confirmed as a WECEC Green Speaker. The title of his presentation is: *All for Naught: Zero Waste's Reality Check for Community-Led Sustainability*. He will present on **May 14th at the Ojibway Nature Centre at 7:30pm**, as part of the Essex County Field Naturalists monthly meeting. A poster will be made and advertised through the usual methods of a media release, website, Facebook, email blast, and posted in library's and coffee shops.

3. WECEC Website

As directed, the WECEC coordinator will investigate other alternatives for a host website company. WECEC recently received an email offering website services. This and other opportunities will be investigated.

4. Environmental Assessment 6th Concession Road/North Talbot Road

The WECEC coordinator has contacted the lead project managers on this development and has asked that a representative present the Environmental Assessment to WECEC at a future meeting.
